Tracy coordinates the Accounting, Human Resources, and Marketing efforts for the firm. A native Californian, she graduated from the University of Houston, BS Psychology/Pre-Med. After a successful career and retirement from the pharmaceutical industry, she has for over 20 years represented the firm in leadership roles for numerous Broward, Indian River and Treasure Coast non-profits, including serving as Junior League President in Broward County, on the National Council of Girl Scouts USA, and as Board Member of the Treasure Coast Building Association and the Homeless Family Center. Tracy graduated from both Leadership Indian River County and Leadership Broward (serving on the Board of Directors for 2 years), and is a proud graduate of Leadership Florida Class XXXII. She is very involved with Rotary International, serving on local, state and international youth program committees. She served as the Vice Mayor, being elected twice to the office as Councilmember, and represented the City of Vero Beach on the Indian River County Metropolitan Planning Organization, the Indian River County Tourism Council, the Treasure Coast Council of Local Governments, and the Florida Council of Women Elected to Municipal Governments, among other responsibilities. Tracy holds a Florida Real Estate License as a developer's agent, and has completed courses on mold evaluation and green building.
